Welcome and Introductions

Reading from the Baltimore Yearly Meeting Proposed Queries on Peace

*What does it mean to live in the virtue of that life and power which takes away the occasion of all war?
Where there are hatred, division, and strife, how are we instruments of reconciliation and love?
As we work for peace in the world, are we nourished by peace within and among ourselves?
How do we think of those we believe have harmed us or others? How does our way of thinking about them
affect our spiritual lives?*
