

Agenda  
5<sup>th</sup> Month 16, 2010  
Meeting for Worship with Attention to Business  
Richmond Friends Meeting

**Welcome and Introductions**

**Reading from the Baltimore Yearly Meeting Advices and Proposed Queries on Listening**

Listening to the Spirit enables us to hear “where the words come from” when others speak. Hearing truth as others understand it is a way of deepening your own faith.

When is it hardest for me to be ready to listen? To what extent do I open myself to the risks of listening? How have I been changed by deeply listening to another? What gets in the way when I seek to translate the ideas, perceptions, thoughts, and feelings of another into familiar terms? When is this most likely to happen?
