Welcome and Introductions

Reading from the Baltimore Yearly Meeting Queries on Outreach

How does my life witness to my Quaker faith?
In what ways do I reach out to new attendees and encourage their exploration of Quakerism as a spiritual path?
How does our meeting convey Quaker faith and practice to the wider community?

Outreach is the natural result of the second great commandment that we love our neighbors as ourselves. It grows out of the spiritual attitude of caring and can take many forms, limited only by our imagination.
